All the necessary is payed for so the students only need pocketmoney. Remember 50 cents for the toilets in Germany.

Money exchange can be done in Czech, but if need to change from home we'll arrange a trip to a bank. On this trip we also have to buy presents for our hosts. The school will pay ofcourse.

Remember to bring sleepinggear for the bustrip, normal toiletstuff, wanderingshoes, varm clothes, bathing suit and towel.

We take care of the passports, but the students must remembber the blue healthinsurancecard.(The yellow is OK but blue is better.)

We are looking forward to a nice trip.
